

Additional Admission Criteria

To be admitted to some programs, you must provide additional information, such as a portfolio, interview, audition, supplementary application, or letter of reference. This section lists the programs that require this additional admission information. If you have any questions, contact the university directly.

Note: Only English-language universities are listed below. To view information about French-language universities, view the French eINFO: www.infoelectronique.ca.

Algoma University

OUAC Program Code	Program	Criteria
JAP	Music	In addition to the normal admission requirements, candidates for admission to Music should have completed Advanced Rudiments (R.C.M.) or the equivalent, and must undertake a placement audition and interview with the Music Coordinator. A student may register for applied Music major courses, only after the completion of this process. An audition/interview may be arranged by contacting the Admissions department at 705-949-2301, ext. 4227. Those who lack the theory background will be required to take introductory courses in theory and dictation.
JCA	Fine Arts (four years)	Portfolio is required. Admittance to this program is by portfolio review/interview. The portfolio should include examples of the applicant's work in any visual media. While actual works are preferable, photographic or slide documentation is also acceptable. The applicant should include a brief description of their background and expectations in relation to the study of art in a university context. These supplementary materials are required in addition to standard university admissions policies.
JEA	Computer Science BCoSc (four years)	Minors are available in Business Systems Management, Computer Game Technology, and Computer Game Technology & Creative Arts.
JHA	Social Work	Admission to the professional years (third and fourth years) of the program is limited. Admission to the professional years of the program is based on a combination of grades, professional and volunteer experience, and a personal statement.

Brock University

OUAC Program Code	Program	Criteria
BAC	Studies in Arts and Culture	Visit http://www.brocku.ca/artsandculture/ for more information.
BAI	Concurrent BA Honours/BEd - Intermediate/Senior	Dramatic Arts majors must participate in the DART Invitational in April or May 2012. Visit http://brocku.ca/dramatic_arts/ for more information.
BM	Music	Applicants must do a theory placement test (Royal Conservatory Grade II level) and pass an aural skills test. It is recommended that prospective majors possess a level of keyboard proficiency equivalent to Royal Conservatory Grade IV. An audition is required for the Bachelor of Music (BMus) program on a solo instrument or voice. Auditions are generally held in March and May of each year, in conjunction with interviews and placement tests.
BT	Dramatic Arts	Applicants will be invited to attend a mandatory Dramatic Arts Invitational in April or May 2012. Visit http://brocku.ca/dramatic_arts/ for more information.

Carleton University

OUAC Program Code	Program	Criteria
CA	BA - General (three years)	Child Studies: March 1 deadline for application.
CBC	Humanities - Option A	Application deadline: March 1. Portfolio due March 1. Contact the College of the Humanities.
CBD	Humanities with Biology - Option B	Application deadline: March 1. Portfolio due March 1. Contact the College of the Humanities.
CD	Industrial Design (regular and co-op)	Application deadline March 1. Portfolio due April 1 and information session recommended. Contact the School of Industrial Design.
CH	BA - Honours (four years) (co-op available with some concentrations)	Child Studies: March 1 deadline for application.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
CIM	Information Technology - Interactive Multimedia and Design (regular and co-op) (program offered jointly with Algonquin College)	March 1 application deadline; portfolio due March 1. Contact the School of Information Technology.
CJ	Journalism	March 1 application deadline.
CM	Music	Application deadline: March 1. Audition arrangement deadline: March 1. Note: Applicants living more than 100 km from Ottawa may audition via a recording and an affidavit in consultation with the School for Studies in Art and Culture: Music.
COL	Computer Science - Honours: Law	http://www.carleton.ca/admissions/howtoapply/alternate-programs/
CR	Architectural Studies (regular and co-op)	Application due by February 1. Portfolio including resumé/writing exercise/graphic exercise due April 1. Send to School of Architecture Admissions Committee.
CSW	Social Work	February 1 application deadline. Human service experience and references to be outlined in personal information document due March 1. Reference forms/analysis of social problem/personal statement, due March 1. Form mailed after receipt of application.

University of Guelph

OUAC Program Code	Program	Criteria
GBO	Bachelor of Engineering - Undeclared (first year only)	Due to the general nature of the first-year curriculum for engineering, students have the option to select "Undeclared" on their application. Students admitted to BEng - Undeclared will be required to select their major during semester two. Students interested in the Engineering Systems and Computing and/or Mechanical Engineering major should make this declaration during semester one.
GC	Hotel and Food Administration	Hotel & Food Administration and Tourism Management applicants are asked to complete a Background Information Sheet (BIS) that will be used in conjunction with admission averages and the Student Profile Form (SPF). The BIS (available at http://admission.uoguelph.ca/suppforms/) is due April 1. For more information about these programs please refer to: www.cme.uoguelph.ca .
GL	Landscape Architecture	Applicants will be required to submit a Background Information Form (BIF), which will be considered in conjunction with admission averages. March 1, 2013 is the final deadline for the BIF. For more information please refer to: http://admission.uoguelph.ca .
GTM	Turfgrass Management (Associate Diploma Program)	All applicants are required to submit a Supplementary Information Form, which is considered in conjunction with the academic record to determine admissibility. Forms are available from www.uoguelph.ca/admissions/download/ .

Lakehead University - Orillia

OUAC Program Code	Program	Criteria
AAS	Arts & Science - Honours BASc (four years)	Media Studies: Portfolio is required.
ASW	Social Work - Honours BSW (four years)	Please note that each student's academic performance will be reviewed at the end of the second year of the Social Work program. Each student is required to apply to the third year by submitting an undergraduate application, supplemental information forms, references, and a resumé of their work experience. Each student must also complete an inviolated personal statement.

Laurentian University

OUAC Program Code	Program	Criteria
LAA	Fine Arts (four years)	Portfolio/audition. Contact the Fine Arts department. Auditions are held in April.
LAE	Outdoor Adventure Leadership	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. See: www.laurentian.ca .
LAQ	BPHE Outdoor Adventure Leadership/BEd Concurrent (Primary/Junior) - five-year double degree	Personal profile form and references.
LAS	BPHE Outdoor Adventure Leadership/BEd Concurrent (Junior/Intermediate) - five-year double degree	Personal profile form and references.
LDA	Architectural Studies	1-2 page letter of interest Two letters of reference Portfolio of creative works (digital or hard-copy format)
LHE	Health Promotion	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. Visit www.humankinetics.laurentian.ca for more details.
LHG	BPHE Health Promotion/BEd Concurrent (Primary/Junior) - five-year double degree	Personal profile form and references.
LHK	BPHE Health Promotion/BEd Concurrent (Junior/Intermediate) - five-year double degree	Personal profile form and references.
LKE	Kinesiology	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. Visit www.humankinetics.laurentian.ca for more details.
LMA	Music (three years)	Audition/theory placement tests are held from April to September. Contact the Music department.
LMC	Music (four years)	Audition/theory placement tests are held from April to September. Contact the Music department.
LMG	Arts (three years) Music/BEd Concurrent (Primary/Junior)	Audition.
LMI	Arts (three years) Music/BEd Concurrent (Junior/Intermediate)	Audition.
LMK	Arts (four years) Music/BEd Concurrent (Primary/Junior)	Audition.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
LMO	Arts (four years) Music/BEd Concurrent (Junior/Intermediate)	Audition.
LRS	Radiation Therapy (with Michener Institute) (four years)	1. Completion of program secondary application form, available on the website (see below). 2. Interview with Radiation Therapy Program representatives. Contact the Coordinator, Radiation Therapy & Technology Programs. Interviews take place in May; orientation should be done before the interview. Visit www.laurentian.ca/Laurentian/Home/Departments/Physics/UndergradProg/Therapy/Therapy.htm?Laurentian_Lang=en-CA for more details.
LSA	Sport and Physical Education	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. See: www.laurentian.ca .
LSE	BA - Sport Psychology (four years)	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. See: www.laurentian.ca .
LSG	BPHE Sport and Physical Education/BEd Concurrent (Junior/Intermediate) - five-year double degree	Personal profile form and references.
LSK	BPHE Sport and Physical Education/BEd Concurrent (Primary/Junior) - five-year double degree	Personal profile form and references.
LSM	BA Sport Psychology/BEd Concurrent (Primary/Junior) - five-year double degree	Personal profile form and references.
LSO	BA Sport Psychology/BEd Concurrent (Junior/Intermediate) - five-year double degree	Personal profile form and references.
LYY	Midwifery	Additional application form.

McMaster University

OUAC Program Code	Program	Criteria
ME	Engineering I	Applicant with a strong admission average may qualify for free choice of discipline in Level II.
MEC	Engineering Co-op I	Applicants with a strong admission average may qualify for free choice of discipline in Level II.
MH	Humanities I	SBI4U is recommended for students planning to enter a Cognitive Science of Language program.
MHP	Professional Communication - Pending Ministry Approval	Applicants will not be considered without a completed supplementary application. See complete details at: http://procomm.humanities.mcmaster.ca/admission/ . Deadline: February 1, 2013.
MHS	Studio Art I	All students who wish to be considered for admission for Studio Art I must make arrangements to come to McMaster for a portfolio interview. Full details of the portfolio requirements, how to book an interview, and interview dates are available at: www.humanities.mcmaster.ca/portfolio/ .
MIS	Honours Integrated Science I	An online supplementary application is required for admission, and is due February 1, 2013.
MM	Music I	Music Audition. Applicants must contact the School of the Arts at 905-525-9140, ext. 24246, to schedule an audition/interview (held in March and April, 2013).
MNS	Health Sciences I	Admission is by selection. Applicants will not be considered without a completed supplementary application. See complete details at: www.fhs.mcmaster.ca/bhsc/ . Deadline: February 1, 2013.
MX	Arts and Science I	Applicants will not be considered without a completed supplementary application. See complete details at: http://mcmaster.ca/artsci/ . Deadline: February 1, 2013.
MY	Midwifery I	Interview (by invitation). Midwifery application form available at www.fhs.mcmaster.ca/midwifery/ . Deadline: February 1, 2013.

Nipissing University

OUAC Program Code	Program	Criteria
PAB	Bachelor of Arts/Bachelor of Commerce	Orientation to Teaching (OTT) with a degree program: Applicants will be required to have a minimum of 70% in ENG4U. Applicants to the Elementary stream will be required to have a minimum 60% in 4U math. Minimum 75% required for consideration.
PBA	Bachelor of Business Administration	Students admitted without 4U math will be required to take the university equivalent of MDM4U or MCV4U in the first year of the program.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
PFA	Bachelor of Fine Arts	Applicants will be required to re-apply for admission to second year. A portfolio will be required at that time. For more information about these admission requirements please contact the Liaison Office at nuinfo@nipissingu.ca .
PSS	Bachelor of Science/Bachelor of Commerce	Orientation to Teaching (OTT) with a degree program: Applicants will be required to have a minimum of 70% in ENG4U. Applicants to the Elementary stream will be required to have a minimum 60% in 4U math. Minimum 75% required for consideration.

OCAD University

OUAC Program Code	Program	Criteria
HDC	2D Design (First-Year)	Admission based primarily on a portfolio review. All offers of admission are conditional on meeting minimum academic requirements.
HDS	3D Design (First-Year)	Admission based primarily on a portfolio review. All offers of admission are conditional on meeting minimum academic requirements.
HFA	Faculty of Art (First-Year)	Admission based primarily on a portfolio review. All offers of admission are conditional on meeting minimum academic requirements.
HIS	Interdisciplinary Studies	Admission is based primarily on a portfolio review. All offers of admission are conditional on meeting the minimum academic requirements.

University of Ottawa

OUAC Program Code	Program	Criteria
OAS	Arts (four years) (French immersion is available in some subjects)	Canadian Studies: Bilingual requirement. English as a Second Language: FRA4U only. Environmental Studies: Bilingual requirement. French as a Second Language: ENG4U only. French Studies: FRA4U; French-language examination. April, May and June dates. Upon request, test can be written at the applicant's school. Translation: Entrance exam. March to May exam dates. Test can be written at the applicant's school if the applicant resides more than 200 km from Ottawa. Co-op is available to translation students in second year.
OKS	Nutrition Sciences	Offered in French to bilingual students. Graduates from immersion programs may apply. Language Proficiency Tests: A minimum score of 60% is required in English and in French.
OME	Music (BMus) (four years)	Audition - March and April.
OMS	Music/Science (integrated program) (five years)	Audition required.
ONA	Nursing (four years) - Algonquin Woodroffe Campus	CPR certificate required.
ONE	Nursing (four years) - Ottawa Campus (French immersion is available with this program)	CPR certificate required.
OVE	Visual Arts (four years) (French immersion is available)	Portfolio.
OWC	Nursing (four years) - Algonquin Pembroke Campus	CPR certificate required.

Queen's University

OUAC Program Code	Program	Criteria
QA	Arts	Submit your Personal Statement of Experience (PSE) and Supplementary Essay (if applicable) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all of the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
QB	Arts/Education (Concurrent)	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and Supplementary Essay and March 1 is the last date to submit the PSE and Supplementary Essay.
QC	Commerce	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to Commerce at Queen's must submit a Supplementary Essay at the same time.
QD	Computing	Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QE	Engineering and Applied Science	Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QF	Science/Education (Concurrent)	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to study Concurrent Education/Science must submit a Supplementary Essay at the same time.
QG	Computing/Education (Concurrent)	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to study Concurrent Education/Computing must submit a Supplementary Essay at the same time.
QIA	Arts - Bader International Study Centre - Herstmonceux Castle, England (first-year program in England)	Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QK	Kinesiology	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to Kinesiology must submit a Supplementary Essay at the same time.
QM	Music	Audition, interview, aural discrimination test and Personal Statement of Experience mandatory. Applicants should contact the School of Music at 613-533-2066 to arrange an audition. Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QMM	Music/Education (Concurrent)	Audition, interview, aural discrimination test and Personal Statement of Experience and Supplementary Essay mandatory. Applicants should contact the School of Music at 613-533-2066 to arrange an audition. Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to study Concurrent Education/Music must submit a Supplementary Essay at the same time.
QN	Nursing	Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QPH	Physical and Health Education	Submit your Personal Statement of Experience (PSE) and Supplementary Essay by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE. Students applying to Physical and Health Education must submit a Supplementary Essay at the same time.
QS	Science	Submit your Personal Statement of Experience (PSE) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.
QT	Fine Art	Portfolio examination and Personal Statement of Experience mandatory. Submit your Personal Statement of Experience (PSE) by February 15 to be considered for an early offer of admission. March 1 is the last date to submit the PSE.
QT	Fine Art	Submit your Personal Statement of Experience (PSE) and Supplementary Essay (if applicable) by December 1 to be considered for an early offer of admission. You will be considered for an early offer of admission if you have completed all of the items on your to-do list on SOLUS. February 15 is the due date for the PSE and March 1 is the last date to submit the PSE.

Royal Military College of Canada

OUAC Program Code	Program	Criteria
XAE	Arts	Potential candidates for RMC are well-rounded individuals; to evaluate this balance, they are assessed in two ways: 1. Academic Performance: To ensure that the applicant has the proper prerequisites to enter the program of choice at RMC, the assessment will consist of a review of Grade 10, 11 and 12 marks, with the final year of secondary school results carrying the most weight. As a general guideline, in order to ensure a competitive file, it is recommended that an applicant have no mark below 80%. 2. Personal Suitability: This is an assessment of a candidate's leadership, managerial, administrative, people and interpersonal skills. These skills will have manifested themselves through such activities as holding down a job, mentoring, tutoring, lifeguarding, being a camp counsellor, being a member of a committee at school or in the community, playing sports, involvement in cadets, volunteering, etc. Before applying to RMC, candidates must choose a career in the Canadian Forces. To help with choosing a career, or to have any other questions answered regarding the Canadian Forces, please call the Canadian Forces Recruiting Centre (CFRC) nearest you at 1-800-856-8488 or visit www.recruiting.forces.gc.ca .

University of Toronto - St. George Campus

OUAC Program Code	Program	Criteria
TAC	Rotman Commerce	Completion of an online Rotman Commerce Supplemental Application. An additional fee of \$50 is required.
TB	Chemical Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TCS	Computer Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TD	Music Bac Music Education	Applicants must submit a supplementary Faculty of Music Questionnaire by January 21 in order to have an audition time assigned. Further information is available at: uoft.me/music-undergrad/ .
TE	Electrical Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TEE	Concurrent Education/Music Education	Applicants must submit a supplementary Faculty of Music Questionnaire by January 21 in order to have an audition time assigned. Further information is available at: uoft.me/music-undergrad/ . Completion of an online CTEP profile is also required. Further details can be found at: www.ctep.utoronto.ca .
TEO	Track One (General First-Year Engineering)	Consideration is also given to extracurricular and leadership activities. Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TEP	Concurrent Education/Physical Education and Health	Applicants must complete an online CTEP Applicant Profile by February 15 and a BPHE Statement of Interest by March 15. Details are available at www.physical.utoronto.ca . Click on "Undergraduate Program" then "Prospective Students" and follow the links for "Admission Requirements". Applicants should apply to one program only. Unsuccessful CTEP applicants will automatically be considered for the BPHE/BKIN program; no separate application is required.
TG	Mineral Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TI	Industrial Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TK	Engineering Science	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TLA	Architectural Studies	Applicants must complete an online profile, for details refer to: www.daniels.utoronto.ca .
TM	Mechanical Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
TO	Music-Artist Diploma	Applicants must submit a supplementary Faculty of Music Questionnaire by January 21 in order to have an audition time assigned. Further information is available at: uoft.me/music-undergrad/ .
TP	Kinesiology and Physical Education	Applicants must complete an online Statement of Interest by March 15. The Statement of Interest is available at: www.kinesiology.utoronto.ca . Click "Undergraduate Program", then "Prospective Students" and follow the links for "Admission Requirements".
TTM	Materials Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TV	Civil Engineering	Applicants must complete a Student Profile Form to be considered for admission. Students with lower grades and extensive extracurricular activity are encouraged to apply.
TX	Music Bac Performance	Applicants must submit a supplementary Faculty of Music Questionnaire by January 21 in order to have an audition time assigned. Further information is available at: uoft.me/music-undergrad/ . Jazz applicants are also required to submit an audition DVD for pre-screening by January 14. Successful applicants will be invited to audition in person.
TZ	Music Bac	Applicants must submit a supplementary Faculty of Music Questionnaire by January 21 in order to have an audition time assigned. Further information is available at: uoft.me/music-undergrad/ .

University of Toronto Mississauga

OUAC Program Code	Program	Criteria
TEB	Concurrent Education/French	An Applicant Profile, interview and placement test are required. For details, visit: www.ctep.utoronto.ca .
TEC	Concurrent Education/Chemistry	An Applicant Profile is required. For details, visit: www.ctep.utoronto.ca .
TED	Concurrent Education/Primary-Junior (Focus on Exceptional Learners)	An Applicant Profile is required. For details, visit: www.ctep.utoronto.ca .
TEM	Concurrent Education/Math	An Applicant Profile is required. For details, visit: www.ctep.utoronto.ca .
TMT	Theatre and Drama (Joint program with Sheridan Institute of Technology and Advanced Learning)	Auditions are required and are held January to April. Beginning in December, book auditions at: uoft.me/audition .

University of Toronto Scarborough

OUAC Program Code	Program	Criteria
TEA	Concurrent Teacher Education - French	An Applicant Profile is required. See the website for details: www.utsc.utoronto.ca/admissions/ . Deadline to apply is early, February 1; deadline for receipt of the Applicant Profile is February 16.
TES	Concurrent Teacher Education - Science: Chemistry, Mathematics or Physics	An Applicant Profile is required. See the website for details: www.utsc.utoronto.ca/admissions/ . Deadline to apply is early, February 1; deadline for receipt of the Applicant Profile is February 16.
TPS	Psychology (including Mental Health Studies) (non-co-op)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utsc.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.
TSB	Co-op Sciences (including Chemistry, Biochemistry, Environmental Science, and Physics)	A Supplementary Application Form (SAF) is required. Access the SAF online at: www.utsc.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TSC	Co-op Computer Science	A Supplementary Application Form (SAF) is required. Access the SAF online at: www.utsc.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise. References/interviews/evaluations may also be required.
TSD	Co-op International Development Studies	A Supplementary Application Form (SAF) is required. Access the SAF online at: www.utsc.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise. References/interviews/evaluations may also be required.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
TSH	Co-op Humanities	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise. Drama: Available through Humanities-Drama; Co-op Arts Management-Drama stream; Co-op Humanities-Drama stream. Interview no longer required.
TSI	Paramedicine	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.
TSJ	Journalism (Joint Program with Centennial College)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TSK	New Media Studies (Joint Program with Centennial College)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise. Portfolio may also be required.
TSM	Management (including Economics) (non-co-op)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TSN	Co-op Management (including Economics)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TSQ	Co-op Psychology (including Mental Health Studies)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.
TSR	Co-op Arts Management	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.
TSU	Co-op Life Sciences (including Biology, Neuroscience and Psychology)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TSV	Management and Information Technology (non-co-op)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1 otherwise.
TSX	Co-op Social Sciences	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1 otherwise.
TSY	Co-op Management and Information Technology	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1 otherwise.
TSZ	Co-op Neuroscience	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.
TXA	Co-op Humanities and Social Sciences	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise.
TXB	Management & International Business (Co-op only)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the first U of T e-mail of acknowledgement of the initial OUAC application and no later than March 1 for early consideration; April 1, otherwise. Shortlisted applicants will be contacted for an interview.
TXN	Neuroscience (non-co-op)	A Supplementary Application Form (SAF) is required. Access the SAF online at www.utoronto.ca/admissions/ . Complete and submit the SAF within three weeks of the date of the U of T letter of acknowledgement of the initial OUAC application, and no later than March 1 for early consideration; April 1 otherwise.

Trent University

OUAC Program Code	Program	Criteria
RE	Concurrent Education - Arts (Honours)	Applications to this program must be received by the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Evaluation is based primarily on an applicant's academic standing. However, a Personal Statement of Experience (PSE) is required and will be considered in the admissions process. PSEs are due March 1, 2013. Forms and deadlines for submission can be accessed at: www.trentu.ca/education/concurrent/admission.php .
RT	Concurrent Education - Science (Honours)	Applications to this program must be received by the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Evaluation is based primarily on an applicant's academic standing. However, a Personal Statement of Experience (PSE) is required and will be considered in the admissions process. PSEs are due March 1, 2013. Forms and deadlines for submission can be accessed at: www.trentu.ca/education/concurrent/admission.php .
RTA	Honours Arts - Stream for Teacher Education	Applications to this program must be received by the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Admission decisions are based on a combination of an applicant's academic average and supplemental application (Applicant Profile). Applicant Profiles are due February 4, 2013. Forms and deadlines for submission can be accessed at www.trentu.ca/education/ .

Additional Admission Criteria

OUAC Program Code	Program	Criteria
RTS	Honours Science - Stream for Teacher Education	Applications to this program must be received by the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Admission decisions are based on a combination of an applicant's academic average and supplemental application (Applicant Profile). Applicant Profiles are due February 4, 2013. Forms and deadlines for submission can be accessed at: www.trentu.ca/education/ .

University of Ontario Institute of Technology (UOIT)

OUAC Program Code	Program	Criteria
DSJ	Concurrent Education/Science (Honours) (Intermediate/Senior)	Applicants to the Concurrent Education/Science program should be aware that a criminal record check and Tuberculin test are a post-admission requirement. Once admitted to the Concurrent Education/Science program, students will receive more information about these requirements.

University of Waterloo

OUAC Program Code	Program	Criteria
WA	Honours Arts (regular only)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application.
WAB	Arts & Business (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WBA	Business Administration (WLU) and Mathematics (Waterloo) Double Degree (co-op only)	Admission Information Form (AIF) required, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest.
WBC	Business Administration (WLU) and Computer Science (Waterloo) Double Degree (Co-op only)	Admission Information Form (AIF) strongly recommended, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest. The Canadian Computing Competition is also recommended.
WBE	Biotechnology/Economics (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WBI	Bioinformatics (co-op/regular)	Admission Information Form strongly recommended, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest. The Canadian Computing Competition is recommended.
WC	Chemical Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WCF	Computing and Financial Management (co-op only)	Admission Information Form (AIF), including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: http://math.uwaterloo.ca/math/future-undergraduates/ . All applicants are encouraged to write the Euclid Mathematics Contest. The Canadian Computing Competition is recommended.
WCM	Computational Mathematics (regular/co-op)	Admission Information Form (AIF) including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at www.math.uwaterloo.ca/navigation/Prospective/prospectiveAdmissions.shtml . All applicants are encouraged to write the Euclid Mathematics Contest.
WCS	Computer Science (regular/co-op)	Admission Information Form (AIF) strongly recommended, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest. The Canadian Computing Competition is recommended.
WD	Systems Design Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WE	Civil Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WEB	Environment and Business (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WEE	Environmental Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WEM	Management Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
WER	Environment and Resource Studies (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WEV	Geography and Aviation (regular only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Program Briefing Session. Transport Canada Category 1 Medical Certification.
WF	Health Studies (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WFM	Accounting and Financial Management - Business and Finance Co-op	Accounting and Financial Management Admissions Assignment (AFMAA) and the Admission Information Form (AIF). In some cases, invitations to write the AFMAA may be based on final Grade 11 marks. For more details, visit: www.afm.uwaterloo.ca/AFMAA.html . Note: Apply to only one Accounting and Financial Management program. The Accounting and Financial Management - WFM and WPA - defines a student's co-op work experiences. The academic programming is the same for both WFM and WPA. WFM - Accounting and Financial Management - Business and Finance Co-op: For students who wish to pursue a CA, CMA or CFA designation, but want to use their co-op work terms to explore accounting and/or finance opportunities in diverse industries, not-for-profit organizations, or government. WPA - Accounting and Financial Management - CA Co-op: For students who wish to pursue a Chartered Accountant (CA) designation where many or all of their co-op work experiences are with public accounting firms, which may be counted toward CA designation. For details regarding distinct co-op opportunities, see: www.afm.uwaterloo.ca/About AFM Co-op.html .
WG	Geography and Environmental Management (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WGB	Global Business and Digital Arts	Additional Admission Criteria: Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WGM	Geomatics (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WHE	Health Promotion (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WI	Independent Studies (regular only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WID	International Development (regular only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WK	Kinesiology (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WKI	Knowledge Integration (regular only)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application.
WLS	Life Sciences (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WM	Mathematics (regular/co-op)	Admission Information Form (AIF) strongly recommended, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest.
WMB	Mathematics/Business Administration (regular/co-op)	Admission Information Form (AIF) required, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest.
WMF	Mathematics/Financial Analysis and Risk Management (regular/co-op)	Admission Information Form (AIF) required, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest.
WMT	Mechatronics Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WN	Mathematics/Chartered Accountancy (co-op only)	Admission Information Form (AIF) required, including teacher reference. Instructions will be sent with acknowledgement of the application. Details are available at: https://math.uwaterloo.ca/math/future-undergraduates/programs/ . All applicants are encouraged to write the Euclid Mathematics Contest.
WNT	Nanotechnology Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WP	Planning (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WPA	Accounting and Financial Management - Chartered Accountancy Co-op	Accounting and Financial Management Admissions Assignment (AFMAA) and the Admission Information Form (AIF). In some cases, invitations to write the AFMAA may be based on final Grade 11 marks. For more details, visit: www.afm.uwaterloo.ca/AFMAA.html . This program (WPA) is open only to Canadian citizens and permanent residents. Note: Apply to only one Accounting and Financial Management program. The Accounting and Financial Management - WFM and WPA - defines a student's co-op work experiences. The academic programming is the same for both WFM and WPA. WFM - Accounting and Financial Management - Business and Finance Co-op: For students who wish to pursue a CA, CMA or CFA designation, but want to use their co-op work terms to explore accounting and/or finance opportunities in diverse industries, not-for-profit organizations, or government. WPA - Accounting and Financial Management - CA Co-op: For students who wish to pursue a Chartered Accountant (CA) designation where many or all of their co-op work experiences are with public accounting firms, which may be counted toward CA designation. For details regarding distinct co-op opportunities, see: www.afm.uwaterloo.ca/About AFM Co-op.html .
WPS	Physical Sciences (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WR	Architecture (co-op only)	Admission Information Form (AIF) (instructions sent with acknowledgement of application). Interview, English précis-writing exercise, and portfolio required. In some cases, invitations for interviews may be based on final Grade 11 marks; details are available at www.architecture.uwaterloo.ca/prospectivestudents/admissionsprocess.html .
WS	Honours Science (regular only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
WSA	Biotechnology/Chartered Accountancy (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WSB	Science and Business (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.
WSE	Environmental Science (regular/co-op)	Admission Information Form (AIF). Instructions will be sent with acknowledgement of the application.
WSO	Software Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Experience in developing well-structured, modular programs is required, as demonstrated by at least one of the following: strong performance in a programming course such as ICS3U, ICS4U, or equivalent, strong performance in a programming contest, significant work experience, other (must be explained on the Admission Information Form). Also considered: Involvement in extracurricular activities in school and/or community; interest in software engineering; additional Grade 12 courses; and participation in mathematics, science, engineering or programming competitions. All applicants are encouraged to write the Euclid Mathematics Contest; the Canadian Computing Competition is recommended.
WSV	Science and Aviation (regular only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Program Briefing Session, Transport Canada Category 1 Medical Certification.
WWF	Electrical Engineering (co-op only)	Admission Information Form. Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WWG	Geological Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WWH	Mechanical Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WWJ	Computer Engineering (co-op only)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WX	Recreation & Leisure Studies (regular/co-op)	Admission Information Form (AIF). Instructions sent with acknowledgement of application. Involvement in extracurricular activities is important in admissions decisions.

University of Waterloo - Renison University College

OUAC Program Code	Program	Criteria
WRA	Renison: Honours Arts (regular)	Admission Information Form (AIF). Instructions sent with acknowledgment of application.
WRS	Renison: Social Development Studies (regular)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.

University of Waterloo - St. Jerome's University

OUAC Program Code	Program	Criteria
WJA	St. Jerome's: Honours Arts (regular)	Admission Information Form (AIF). Instructions sent with acknowledgement of application.

Western University

OUAC Program Code	Program	Criteria
EAV	Visual Arts - Studio	Portfolio required. The portfolio deadline is February 15, 2013. For details, go to: www.uwo.ca/visarts/bfa/directentry.htm .
EDF	Management and Organizational Studies (Commercial Aviation Management) - Flight Training (Main campus only)	Supplementary application form required. Valid Transport Canada Category 1 Medical Certification also required for the flight option. For assessment, contact Transport Canada or your local physician. Due by March 1. It is recommended that students have completed at least two hours of small aircraft flying time for the flight option. SPH4U is recommended.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
EDN	Management and Organizational Studies (Commercial Aviation Management) - Non-Flight (Main campus only)	Supplementary application form required. Valid Transport Canada Category 1 Medical Certification also required for the flight option. For assessment, contact Transport Canada or your local physician. Due by March 1.
EM	Music, Bachelor of (BMus)	Audition/interview. Applicant contacted by the Faculty, February to May. Applicants are expected to audition in person; however, for those living outside southern Ontario, the Faculty is prepared to accept a taped audition.
EMA	Music (BAMus)	Recommendation of the Faculty on the basis of an interview.
EMD	Music Performance Diploma (three years)	Audition/interview. Applicants must demonstrate a performance level of at least a Conservatory Grade 10 standard and show evidence of exceptional performance ability before a jury. Applicant contacted by Faculty, February to May. Applicants are expected to audition in person; however, for those living outside southern Ontario, the Faculty is prepared to accept a taped audition.
EMS	Music Administrative Studies	Audition/interview. Applicant contacted by the Faculty, February to May. Applicants are expected to audition in person but, for those living outside southern Ontario, the Faculty is prepared to accept a taped audition.

Western University - Huron University College

OUAC Program Code	Program	Criteria
EH1	Media, Information & Technoculture	Supplementary application required. Students must combine a MIT major with another major offered at Huron.

Wilfrid Laurier University - Waterloo Campus

OUAC Program Code	Program	Criteria
UM	Music, Honours (BMus)	Audition/interview. Applicant contacted by faculty. March/April. Audition tape accepted by mail from student residing beyond 500 km.

University of Windsor

OUAC Program Code	Program	Criteria
ND	BFA Dramatic Arts - Acting	Supplementary profile required. Profile is available online at: www.uwindsor.ca/drama/ . Response deadline applies for supplemental application; auditions in March and April. For additional audition/interview information contact the School of Dramatic Art at 519-253-3000, ext. 2804.
NDC	BA Drama in Education and Community	Supplemental application/interview. To assist applicants, a preparatory workshop will be held at the School of Dramatic Art. Applicants must contact the School of Dramatic Art at www.uwindsor.ca/drama/ for application details, interview requirements, dates and applicable fees. For additional interview information applicants should contact the School of Dramatic Art at 519-253-3000, ext. 2804.
NE	BASc Engineering (Undecided)	Engineering second average calculated - average of all math and science courses except biology.
NEB	Engineering - Civil	Engineering secondary average calculated - average of all math and science courses except biology.
NEH	Engineering - Industrial	Engineering second average calculated - average of all math and science courses except biology.
NEK	Engineering - Environmental	Engineering secondary average calculated - average of all math and science courses except biology.
NEL	Engineering - Mechanical (Materials option)	Engineering second average calculated - average of all math and science courses except biology.
NEN	Engineering - Electrical	Engineering secondary average calculated - average of all math and science courses except biology.
NER	Engineering - Mechanical (Aerospace Engineering Option)	Engineering second average calculated - average of all math and science courses except biology.
NEU	Engineering - Industrial (Minor in Business Administration)	Engineering second average calculated - average of all math and science courses except biology.
NF	BFA Fine Arts - Visual Arts	A portfolio is not initially required for admission to our BFA Visual Arts program. However, admission to year three is based on a successful portfolio evaluation.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
NFB	BFA Visual Arts and the Built Environment (VABE)	A portfolio is not initially required for admission to the BFA Visual Arts program.
NJC	BA Digital Journalism & Creative Writing	Submission of a piece of writing or video clip and an interview with a Digital Journalism faculty member.
NJE	BA Digital Journalism & English Language & Literature	Submission of a piece of writing or video clip and an interview with a Digital Journalism faculty member.
NJM	BA Digital Journalism & Communication, Media & Film	Submission of a piece of writing or video clip and an interview with a Digital Journalism faculty member.
NJP	BA Digital Journalism & Political Science	Submission of a piece of writing or video clip and an interview with a Digital Journalism faculty member.
NM	BMus Music	Supplementary audition. Applicants are encouraged to apply online for the audition at: www.uwindsor.ca/music/ , by January 30. Auditions held in Windsor.
NMO	BMath/BEd Honours Mathematics & Education	Supplementary profile required. Profile is available online at: www.uwindsor.ca/edfac/ .
NMT	BMusTh Music Therapy	Supplemental audition. Applicants are encouraged to apply online for the audition at www.uwindsor.ca/music/ by January 30. Auditions held in Windsor.
NP	BHK Human Kinetics	In addition to the best six average, a minimum grade of 70% in each of ENG4U and SBI4U is required for students admitted to Kinesiology.

York University

OUAC Program Code	Program	Criteria
YB	Dance Studio	Supplemental department audition is required. Auditions are held January through April. There is a \$50 audition fee. See: http://dance.finearts.yorku.ca/apply/bfa-ba/ .
YBA	Schulich School of Business, Business Administration	Supplementary Information Form required, available at: http://futurestudents.yorku.ca/forms/ . Applicants must submit their application for admission to the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Applicants must additionally submit the Supplementary Information Form by the deadline noted on the form, in order to be considered for this program.
YBI	Schulich School of Business, International Business Administration	Supplementary Information Form required, available at: http://futurestudents.yorku.ca/forms/ . Applicants must submit their application for admission to the Ontario Universities' Application Centre (OUAC) by January 16, 2013. Applicants must additionally submit the Supplementary Information Form by the deadline noted on the form, in order to be considered for this program.
YEA	Film Production	Completion of a BFA Supplementary Application available at http://film.finearts.yorku.ca/apply/how-to-apply/ , accompanied by an evaluation fee of \$50. Applicants who receive the highest questionnaire scores and who seem best suited to benefit from this program are invited to come for a personal interview in late March.
